

Purpose: Complete form L-4 so that your employer can withhold the correct amount of state income tax from your salary.

Instructions: Employees who are subject to state withholding should complete the personal allowances worksheet indicating the number of withholding personal exemptions in Block A and the number of dependency credits in Block B.

- Employees must file a new withholding exemption certificate within 10 days if the number of their exemptions decreases, except if the change is the result of the death of a spouse or a dependent.
- Employees may file a new certificate any time the number of their exemptions increases.
- Line 8 should be used to increase or decrease the tax withheld for each pay period. Decreases should be indicated as a negative amount.

Penalties will be imposed for willfully supplying false information or willful failure to supply information that would reduce the withholding exemption.

This form must be filed with your employer. If an employee fails to complete this withholding exemption certificate, the employer must withhold Louisiana income tax from the employee's wages without exemption.

Note to Employer: Keep this certificate with your records. If you believe that an employee has improperly claimed too many exemptions or dependency credits, please forward a copy of the employee's signed L-4 form with an explanation as to why you believe that the employee improperly completed this form and any other supporting documentation. The information should be sent to the Louisiana Department of Revenue, Criminal Investigations Division, PO Box 2389, Baton Rouge, LA 70821-2389.
